

Description for After-School Program Student Volunteer

Reports to: Program Director/Pastoral Staff/Staff Parish Relations Committee

SUMMARY

Excel is a youth program committed to providing academic, physical, social, and spiritual enrichment activities to elementary school youth, in grades K-5.

RESPONSIBILITIES

- Assist director and teachers in overseeing the classroom setting and activities designed to be academically, physically, socially, and spiritually enriching.
- Monitor student progress and needs as appropriate.
- Assist in providing documented lesson plans for all activities.
- Prepare students for performances or presentations as appropriate.

Qualifications:

- Love for children and a desire to see children grow and learn in an environment that is developmentally appropriate.
- Active church involvement.
- Strong work ethic and commitment level.
- Knowledge of the development of children from early to middle childhood and adolescence. (Major in education a plus but not required.)
- A criminal background check is performed on everyone applying to work with children.

Compensation:

The program runs 3-6pm M-F. (Volunteer hours negotiable)
A stipend and reimbursement for travel are paid monthly.

How to Apply:

Please send, email, or cover letter and résumé to:
